

Polymer Cases rotate, protect and securely retain Triad lights. Available in four finishes.

Prestige Logos

Distinctive insignias are available in Brass, Nickel Silver or color fill. They may be die struck on request for individual agencies or divisions (see Customization section).

Fold out the back cover. Combine the first two numbers of the selected Logo Triad with the two numbers of the desired Prestige Logo.

Cutaway 5206

Time Capsules (3024) retain a spare set of ASP batteries and a Triad lamp.

Triad Lamps (3025) employ Xenon gas for a brilliant white beam.

Maintenance Kits (5116) service and repair Triad Switch Assemblies.

ASP Lithium Batteries are custom fabricated to provide increased energy density and longer life. They are packaged two per clamshell (3023) or 100 per box (3026).

Hand Straps (3022) allow the use of both hands during tactical activities.

Nylon Cases (3027) are lightweight and form molded to the contour of the Triad.

Prestige Cases (5406) are ideal for presentation of Triad lights.

Presentation Triads (3009) are available in 18K Gold.

3021

Lens Rings with a Silver or Gold Band add a mark of distinction to any Triad.

3020

Designed to complement the ASP Baton, shock isolated Triad lights are the most rugged in the industry.
