

### LEVERAGE CAPS

lock the baton in the officer's hand improving retention and control. More important, this unique design transfers the fulcrum of the baton to the little finger increasing both speed to target and impact potential. With the Leverage Cap installed, an F16 has the impact of an F21. An F21 strikes like an F26. Available in Textured Black, Electroless, Gold Band (54700), Silver Band (54800) and with Prestige insignias.
